

GROOMING PRICE LIST 2020

RECOMMENDED RATES FOR SUBJECTS WHO DO NOT PRESENT PARTICULAR DIFFICULTIES OF EXECUTION.

For biting or difficult dogs (knots, infiltrated hair, etc.) prices will be increased at hourly rate

Our rates include the daily boarding for those dogs which are not currently boarding in our center. How does it work? Easy, bring your dog when we open (morning or afternoon up to our availability) and come to pick him/her up before we close.
